Abstract

Copy an object This task is part of the daltools package

1 Instruments/Modes

Instrument	Mode
------------	------

2 Use

3 Description

Copy an object

This task copies objects. The source and destination objects must be given in fully qualified notation and must be of compatible types.

4 Parameters

This section documents the parameters recognized by this task (if any).

Parameter	Mand	Type	Default	Constraints
from	yes	String		

The fully qualified name of the object to be copied

position	no	Int	-1	
-----------------	----	-----	----	--

Move to this position (-1 means append)

to	yes	String		
-----------	-----	--------	--	--

The fully qualified name of the destination

withposition	no	Bool	no	
---------------------	----	------	----	--

Control for position parameter

5 Errors

This section documents warnings and errors generated by this task (if any). Note that warnings and errors can also be generated in the SAS infrastructure libraries, in which case they would not be documented here. Refer to the index of all errors and warnings available in the HTML version of the SAS documentation.
